

# North Newark Little League/ Newark Nike RBI

## Sponsor Our 2023 HomeRun Derby

Each Season the North Newark Little League organizes a batting and fielding competition called the Homerun Derby. This year we are going to expand the event in order to make it a fun filled day that our participants' entire families can enjoy. All League players are encouraged to participate and t-shirts marking the event are distributed to both the children participants and adult volunteers. This is where our sponsors come in!

The t-shirts are made available to all of our participants. Our kids wear these shirts proudly throughout the year. In fact, many players collect the shirt because it is issued in a different color each year and because it has become a hallmark of this annual event.

**To help defray the costs incurred by the Homerun Derby Event and to raise money for our Program, we are seeking the support of civic minded individuals and businesses. The sponsor fee is \$150.00 and sponsor names will be listed on the back of each shirt.**
